Start**

Steps to Start

**Any Nurse
Business You Want**

5

Business Ideas

Any Nurse Can Start

1. Coaching. You only need to be a few steps ahead to help someone else move forward.
2. Consulting. Help organizations solve problems at a high-level.
3. Online courses.
Create a course on ANY topic you LOVE!
4. Video trainings, workshops and webinars.
5. Digital products, printable, tools, planners and forms.

Steps to Start

Any Nurse Business You Want

1. Pick ONE and only ONE idea to start with.
2. Start Building a community of people who show interest in that topic
3. Show up and show up as yourself. Stay in front of your people often.
4. Provide value to your community consistently.
5. Create an offer and present it to your people clearly and simply.
